SUMMARY:

Solution-oriented Native Android Developer with 3+ years of experience in building and maintaining apps. Always focused on delivering high-quality, reusable, and maintainable code, whether working as a freelancer, full-time employee, or on personal projects.

Experienced in remote work with teams in different locations, assuming various roles. Proficient in using agile methodologies and consistently seeking opportunities to learn new topics and apply best practices.

WORK EXPERIENCE:

Flux IT/Banco Galicia.

Android Developer | Nov 2022 - Present

- Developed new functionalities on the homebanking app from the Galicia bank.
 - Collaborated with a fully remote, multidisciplinary team that included Mobile (Android/iOS), various backend layers, Design, Web, QA, PO, TO, Analyst and Scrum Master.
 - Implemented features enabling users to manage additional aspects of their credit and debit cards, aiming to minimize interactions with bank branches.
 - Followed UI designs to create intuitive and visually appealing interfaces for both existing and new developments.

PDS S.A.

Android Developer Jr/Ssr | Jan 2021 - Nov 2022

- Contributed to a suite of Android apps associated with a primary application for managing sales in food establishments for a local company with clients in 5 countries.
 - Implemented a way to allow each user to update all our apps with a click per app, saving the company's technical service hours of manual updates.
 - Refactored the code structure that represent different tickets on multiple points on the app to make it more readable, maintainable, scalable and testable while adding around 20 unit tests for the defined use cases.
 - Played a key role in the code review process, examining pull requests and providing assistance to colleagues with less experience on the project and as developers.

SKILLS:

- Java, Kotlin, Android SDK and Android Studio
- UI/UX Design
- RESTful APIs
- Git
- Object-oriented programming
- Agile/Scrum methodology
- Strong time management and problem-solving skills
- Strong communication and collaboration skills
- Fluent in English and Spanish

EDUCATION:

2016 - 2018 | Universidad Nacional de General Sarmiento

Higher Technician in Computer Science (Tecnatura Superior en Informática)
